Read the text:

Paul is a lucky boy. Last week his parents travelled to New York on a business trip\* and he went with them. He's talking about some of the things he did:

*It was really great. We arrived in New York late in the evening. We went to the hotel by taxi and we went straight\* to bed because we were tired.*

*In the morning my father went to a meeting\* and my mother and I went shopping. She bought some souvenirs for her friends and I bought a jacket. We visited some monuments, like the Statue of Liberty and the Empire State Building, and went for a walk in Central Park, a very famous park in the city. We saw lots of squirrels. We had lunch at an Italian restaurant in Manhattan. I ate an extra large pizza. It was great!*

*In the evening my parents and I went to a NBA match. Can you believe it?! It was fantastic! My mother loved it, too, and she is not a basketball fan.*

*The next morning we returned home. It was a wonderful experience.*
